Dear Valued Customers,

Due to the current COVID-19 situation, the California Governor has issued a statewide order for all residents to stay home and businesses to close temporarily. Our closure will go into effect by the end of today, March 20th and is tentatively set to last until April 19th.

During this time of closure, some of our staff members will be working from home to provide you support. Please submit your inquiries regarding your account via email to orders@claritiewear.com. For any online login questions, please email webhelp@claritiewear.com. We will respond to your emails the soonest possible and do our best to provide you with the help you need. However, please understand that we will not be able to ship any goods to you until we return.

Thank you for your patience during this difficult and unprecedented time. Please keep an eye out on our website and social media for updates.

We look forward to getting past this situation and returning back to living a normal life with our families and working hard in providing you with excellent eyewear product and service as usual. In the meantime, please stay safe and healthy.

Sincerely,
